

Nungesser Lake Outpost

Northwestern Ontario, Canada

Latitude: 51.47N | Longitude: 93.57W

Fish Species: Walleye, Northern Pike, Perch, Lake Whitefish

7129 20th Street, Hugo MN 55038 | 612-961-4598

How to Measure Total Length

HOW TO PROPERLY RELEASE FISH

- Hold the fish firmly, but don't squeeze the belly or side fins or gills.
- Grasp the hook with a good pair of pliers, push down away from the barb side and pull straight out.
- Release the fish quickly and gently in the water. Take care not to remove the protective body slime (see cotton gloves if possible).
- If you have to hold the fish for a short time, keep it in the water. Do not let it get too hot or too cold.
- If the fish shows signs of stress from the gills or fins, do not allow it to swim away freely. If the fish shows signs of stress, hold it in the water until you are ready to return it to its habitat.

NUNGESSER LAKE LODGE TAKE-HOME POLICY

All Northern over 27.5 inches and all Walleye over 18 inches must be released.

PRACTICE CATCH & RELEASE

The future of fishing is in your hands. Practice catch and release.

CAUTION: This map should not be used as a guide to boating safety. This map does not show all of the various shoals, hazards and other obstructions that may exist in, on, or in the vicinity of the lake.

PROCEED WITH CAUTION!

BOATING GUIDE FOR NUNGESSER LAKE

Hazards - Use caution in these areas (refer to map)

Preferred Travel Routes (refer to map)

Marker Buoy

Rock / Reef

Please use caution when travelling on unfamiliar waters. Do not move. Nungesser Lake is a premier fishing stream. Nungesser Lake Lodge staff.
